BOTANICAL SOLUTIONS

Infused & Fermented

From flavor

TO FUNCTION !

genibio

GeniAlis AVENIR INNOVATION

herbalT

An authentic taste
Naturally functional

HERBAL INFUSIONS

- Natural benefits from the plant
- Rich, authentic flavor profile
- "Herbal Infusion" labeling

FERMENTED INGREDIENTS

- Benefits of fermentation and its metabolites (postbiotics)
- A unique flavor profile coming from fermentation
- "Fermented tea infusion" labeling

Easy to use ingredients

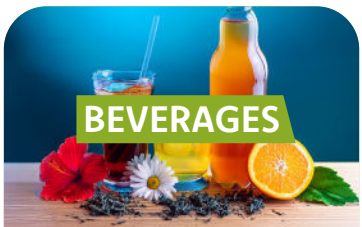
> Liquid form
> Long shelf life
> Low dosage
> Aseptic packing

Cardboard box 20L

Drum 200L

Arcabox 1000L

APPLICATIONS



Ice Tea, Soft drinks
Functional drinks
Mocktails
Shots
Kombucha, Kéfir
Syrups

Milk-based drinks
Drinking yogurt
Flavored skyr
Plant-based
Dairy desserts
Ice creams

Purees
Compotes
Sauces

Boost and energy
Recovery
Balance
